October 2020 Newsletter

2020 ADMINISTRATIVE REVIEW (AUDIT): As you may already know, the California Department of Education (CDE) oversees the operation of our program and they assess our program every two years for program compliance purposes. As part of their assessment this year, they will be selecting a group of our daycare home providers for monitoring visits. Please be advised that the CDE will be conducting monitoring visits via desk audit (virtually) for everyone's safety.

Please make sure to have your copies of the children's enrollment applications and your most recent enrollment renewal report (2020-2021).

Thank you in advance for your cooperation!

NO MORE SCANNABLE FORMS AS OF APRIL 2021: Please be advised that as of April 2021 all of our daycare home providers will be required to claim online. Please stay tuned for further information in our upcoming newsletters. Training dates and more information will be announced shortly.

2020 ANNUAL WORKSHOP RESULTS: Evergreen Child Care Inc. (ECCI) would like to thank those providers who have completed the annual workshop. The results of the annual workshop will be posted in our website under the "annual training" tab on **Wednesday, October 28, 2020**.
